

## **GEP @ Bruns**

November 2025

Did You Know??

<u>Director's Corner</u>

November is a time for harvest.

Although harvest usually refers to crops, think of how you can harvest the seeds you have sown in yourself and your loved ones. Reflect upon and reward all of the accomplishments you have achieved thus far. Continue sowing seeds of love, kindness, responsibility and respect into our GEP scholars. Happy Harvest season!

-Mrs. Wingate-Cook

Thursday November 13<sup>th</sup> is *World Kindness Day*.

The purpose of World Kindness Day is to highlight the importance of good deeds and promote the power of kindness, compassion, and empathy across the globe. It encourages people to perform intentional acts of kindness to create a more positive and harmonious world. The day serves as a reminder that small, kind acts can have a significant ripple effect on individuals and communities. What are you going to do to celebrate World Kindness Day this year?

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."

- Maya Angelou
