Parent Tips for November

Read aloud with your scholars!

November is read with your scholars month. You may do so by reading a favorite book of theirs. Go to the libaray, make it fun by seating under a tree or ask for books from GEP afterschool program. Reading helps build cognitive, language, and emotional development.

Reminders

Please remember the dismissal pick up time starts at 5:45pm. This ensure all scholars are able to participate and enchance their academic and social experiences while sharing new knowledge. Thank you for adhering and respecting the GEP policy. Ms.Tangella Stephens
