Greater Enrichment Program, Inc.

*Child Focused. Family Centered.*

*The Greater Enrichment Program (GEP) is a 5-star after-school program for at-risk youth in the Greater Charlotte area. Since 1975, the program has served over 10,000 students K-5. The program serves the Charlotte youth in the poorest elementary schools. In light of COVID-19, GEP is working double-time to provide students with specialized support. Now, more than ever, donations and support are critical.*

*GEP is more than just homework and tutoring. The program provides a safe learning environment, healthy nutrition, and immersive opportunities that the children might not otherwise have. We are so excited to be able to host fun-filled events that will make a direct impact on these children's lives.*
